|-----------------------------------------------------|
| Colonial Lloyds Deductibles now 1% Statewide |
|-----------------------------------------------------|

Effective immediately, Logic has discontinued the 2% Wind, Hail & Hurricane deductible for business located in Dallas, Tarrant & Harris Counties. Logic instituted the higher deductible to address the catastrophe issues associated with these counties. We were just informed by Colonial Lloyds that they have the capacity to write a sizable amount of new business statewide and to advise our agents that they are aggressively pursuing business (subject to underwriting guidelines)

The revised rating program is now available at our website www.logicinsurance.com and can be downloaded after you login.

If you need any additional information or have any questions, please feel free to contact your marketing representative for assistance.
