New TDP-1 & HO-A Program

We are pleased to announce Logic now represents Colonial Lloyds Insurance Company (reinsured by Hannover A+:VIII) for TDP-1's & HO-A's. Some of the program highlights are:

- *Admitted Paper
- *15% Commission
- *Mobile Homes Acceptable
- *Town Homes Acceptable
- *Replacement on Dwelling & Contents available
- *Values to \$200,000
- *Most Standard Endorsements available
- *Rating Software available

Please go to our website www.logicinsurance.com and download the software that will allow you to quote & print applications in you office. Also, please print the underwriting guidelines, procedures, etc... from the "Standard Forms" section of the website to ensure the risk is eligible for the program. If you have any questions or need any assistance, please feel free to call your marketing representative.

New "Stand Alone" OL&T Program for Rental Properties

Need an *affordable liability market* for your Rental Properties? Logic now has binding authority for an A:VII rated non-admitted carrier for OL&T targeting risks from single dwellings to larger property schedules. You may obtain an application from our website to submit for a quote. Please call Steve if you have any questions or need a quick indication.

High Value Homeowners

The new High-Value Homeowners Program (A++:VX, Non-Admitted) targeting properties valued \$300,000 to \$20,000,000. Some of the features include:

- *Risks with Water Losses are acceptable
- *Windstorm coverage available in 1st Tier
- *Umbrella/Excess Liability, Excess Flood and Personal Article/Jewelry Floaters Available
- *Liability Limits to \$1,000,000
- *Protection Classes 1-8 Acceptable
- *Extension of Liability available
- *Town Homes are Acceptable

This program will also support luxury rental properties valued \$300,000 & up. Please call Steve if you have any questions or need a quick indication.

Underwriting Manuals & Applications Online

We now have our underwriting manuals and applications on our website at www.logicinsurance.com, under the "Standard Forms" section. Please feel free to either view them online or print them in their entirety.
